

Madrone Mental Health

Now Hiring

Family & Child Therapists

- Family & Child Therapists have the primary responsibility of working directly with families & children providing serves to support their progress toward their treatment goals.
- Complete an assessment, make a diagnosis, develop a treatment plan, and monitor progress toward goals.
- Utilize evidence-based treatment models (DBT, CBT, FBT, and ACT).
- Be responsible for writing session notes and completing appropriate paperwork.
- Meet weekly with the clinical team to discuss client progress, concerns, and receive guidance.
- Must have either a graduate degree in the mental health field and qualify as a QMHP or have a current license to practice mental health.
- All Therapists will participate in Madrone's Eating Disorder Day Treatment Program. Madrone provides a Partial Hospital Program (PHP) and an Intensive Outpatient Program (IOP) for individuals with eating disorders. Every Therapist will support this program by maintaining 1-2 eating disorder clients as well as running 1-2 groups and 1-2 meals per week.

Salary:

Licensed Therapists earn 70% of their billings.

Non-licensed QMHPs earn 50% of their billings.

All Therapists earn \$29/hour when running groups or meals for the eating disorder program.

Benefits:

Physical, Dental & Vision Insurance – 100% of premium covered by employer

PTO – 2 weeks paid vacation, 12 sick days, 9 holidays (prorated by FTE)

Retirement – Simple IRA with 3% employer match

Flexibility & Great Work Life Balance!
